## Trinity 2022

Welcome to the RGS Prep Clubs programme for Trinity 2022 Term.

### Clubs' Programme

Clubs on a Monday will run for 7 weeks and those on a Tuesday to Friday will run for 9 weeks for the Trinity term, commencing Monday 25<sup>th</sup> April 2022, and finishing on Friday 1<sup>st</sup> July 2022.

### Breakfast and Lates

RGS Prep staff run a breakfast club from 07:30 every day, this is charged at £6 per day and must be booked in advance. We have a 'lates' facility for boys who are unable to be collected at the normal pick-up time, this may be for various reasons including waiting for a club to start. In Pre-Prep there is a choice of 'lates' pick up of 15:55 or 16:30. In Prep, 'lates' finishes at 16:45. Breakfast club should be booked via the clubs booking system and 'lates' requests should be marked up by parents in pupil's diaries.

### After School Care run by Sports4Kids

Boys staying after 'lates' or a late club need to be booked into ASC which is provided by Sports4Kids (S4K). This runs until 17:30 or 18:30. ASC should be booked direct via the [S4K website](#). Full details, including cost, can be found on their website.

### Clubs Booking System

Please access clubs via MySchoolPortal under the Co-curricular section. Clubs available to your son will be shown here.

We plan to open the booking system at 9am on Monday 14<sup>th</sup> March and close it again at 9am on Monday 21<sup>st</sup> March. The booking system will remain open for ad hoc booking of breakfast club throughout the term.

Most clubs are available to all boys in the Year group; however, some of the music ensembles are by invitation only. The club will only appear in a MSP account if the pupil has been invited to attend. Clubs are not allocated on a first come first served basis; the system will balance clubs to try and ensure that all boys

get some of their choices. Registers will be drawn up after the system closes and we will be in touch to let you know when your son's choices have been confirmed.

Clubs run by RGS Prep staff are mostly free; clubs run by our VMTs and external providers incur a fee. Payment for clubs is in arrears, you will be billed on your end of term fees invoice. In order to manage the billing process effectively, we will not be able to accept any changes to club bookings after the first week, when all clubs booked and confirmed will be billed. We do keep a record where clubs did not occur due to a coach's non-attendance or there was a major clash with a school function, and your bill is adjusted accordingly. Please note that other clashes (such as illness etc) will not be refundable.

### **Internal Lunchtime Clubs**

Once the term gets underway, more internal clubs may start-up at lunchtime. This will be organised informally with the boys. They will all be encouraged and given the opportunity to sign up if they would like to.

### **Games Afternoons**

Please note that the boys have games on the following days and on these days there are likely to be fixtures which may run after school. Please bear this in mind when selecting your clubs.

- Year 3 Thursday
- Year 4 Monday
- Year 5 Tuesday
- Year 6 Wednesday

If you have any questions, please contact the Clubs Administrator via email: [rgsp-clubs@rgsg.co.uk](mailto:rgsp-clubs@rgsg.co.uk)

Speed of Play: With increased ball touches and good ball control players learn to think and play faster. Creativity: Given the limited time and space player's must be creative in finding solutions and ways to escape pressure. using fakes and feints. Continuity: Action is continuous so players have to maintain focus as the ball is hardly ever out of play. Knowledge: With all player's moving in non-stop action mode, player's understanding of the game is enhanced. Improved finishing: The small size of the pitch results in more attacking moments and opportunities to shoot on goal. Work ethic: You are constantly involved when playing Futsal you are always on the move and have to work super hard to create chances on goal. Fun: All players enjoy the challenge of playing a fast paced, high energy and skill orientated game.

## Futsal (Year 6)

9 Reasons why you should play Futsal :- Ball Touches: Compared to football in Futsal player's touch the ball 210 more often. Ball Control: With limited space and constant pressure players enhance their 1st touch and ability to protect the ball. Speed of Play: With increased ball touches and good ball control players learn to think and play faster. Creativity: Given the limited time and space player's must be creative in finding solutions and ways to escape pressure. using fakes and feints. Continuity: Action is continuous so players have to maintain focus as the ball is hardly ever out of play. Knowledge: With all player's moving in non-stop action mode, player's understanding of the game is enhanced. Improved finishing: The small size of the pitch results in more attacking moments and opportunities to shoot on goal. Work ethic: You are constantly involved when playing Futsal you are always on the move and have to work super hard to create chances on goal. Fun: All players enjoy the challenge of playing a fast paced, high energy and skill orientated game.
